**COVID-19 Pandemic Data**

The rate of new COVID-19 cases in Cheshire remains elevated compared with May, June and July but has been relatively stable over the past month. Cheshire’s local estimated positivity rate over the past seven DPH reporting days currently stands at 1.9% (49 positives over seven reporting days in Cheshire out of 2,641 tests):

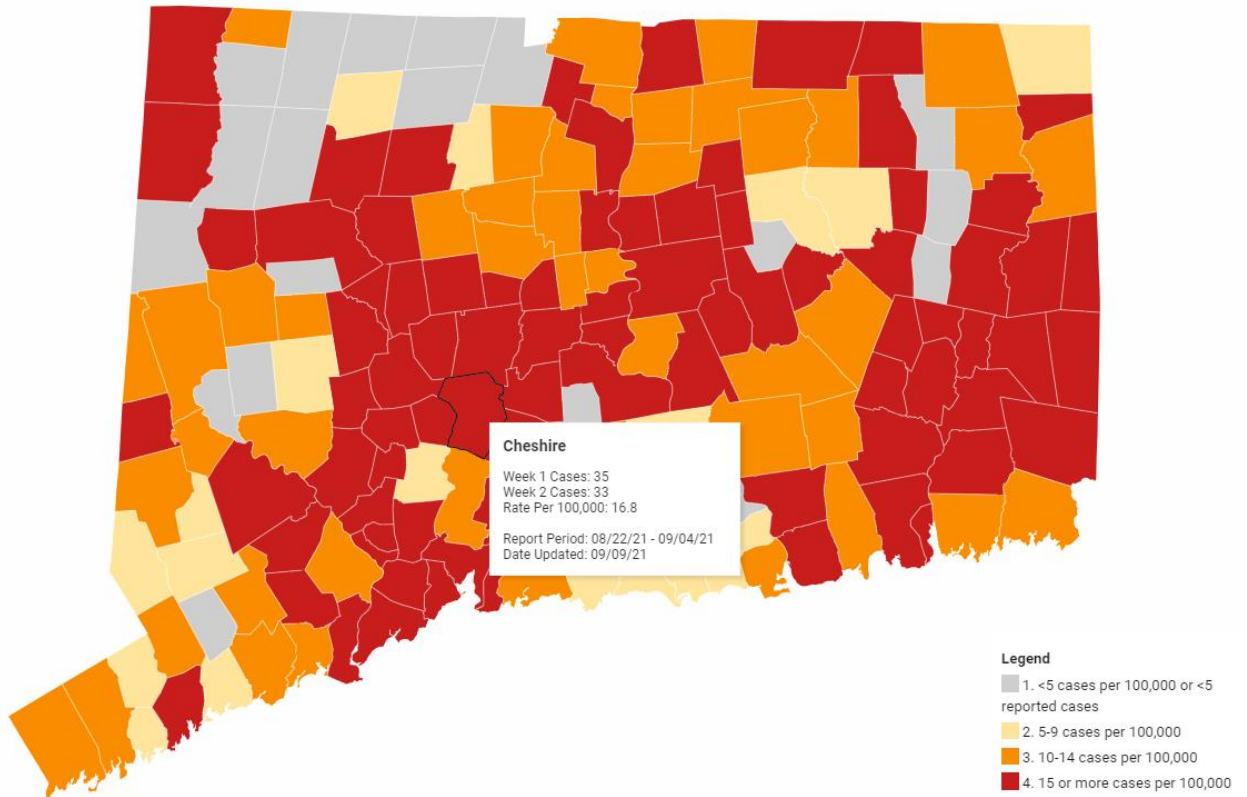

To date, 74.64% of all Cheshire residents have received at least one vaccination dose, an increase of 1.92% over last month (72.72%).

**Percent of Population All Ages Who Have Received at Least One Dose of COVID-19 Vaccination**

Cheshire's increase in cases compared with last month's report has led to a "Red" designation on the weekly report of average daily cases per 100,000 population (Cheshire was reported at 16.8 cases per 100k, compared with 11.1 cases last month)

**Welcome to Management Specialist Noelle Shepard**

Welcome to Noelle Shepard who began on September 7th as our new Management Specialist in the Town Manager's Office. Noelle comes to us from the Town of Mansfield where she most recently served as Senior Human Resources Specialist and where she previously worked as a graduate intern in the Town Manager's Office. Noelle earned both her undergraduate degree and a Master's in Public Administration from the University of Connecticut.

**2021 Cheshire Fall Festival**

Thank you to the Cheshire Chamber of Commerce, the Town Council and Town Departments as well as all participants, vendors and visitors who attended the 33<sup>rd</sup> Annual Cheshire Fall Festival last weekend. The weather was wonderful and the event was full of great music, activities, fireworks and incredible Cheshire community spirit.
