Project Details (check and fill in all that apply):

- ☐ New Discharge ☐ Substantial change in the volume or character of pollutants being discharged. **Attach explanation.**
- ☐ Single-Family Residential Number of Bedrooms _____
- ☐ Multi-Family Developments Number of Units _____
- ☐ Commercial Square Footage _____ Estimated Daily Flow in Gallons per Day _____
- ☐ Industrial Square Footage _____ Estimated Daily Flow in Gallons per Day _____

Total estimated capacity required: _____ (Gallons per day). **Attach Calculations**

Estimated date of occupancy: _____

Is food preparation occurring on the Property? ☐ No ☐ Yes If yes, provide the Public Health Code Classification: _____

****Note: All classifications are defined by the CT EPA 19-13-B42 and PA 17-93: <https://portal.ct.gov/DEEP/Municipal-Wastewater/Fats-Oils-and-Grease-FOG-Model-Program>***

Proposed Sewer Type (Check all that apply):

- ☐ Gravity Sewer System ☐ Low Pressure Sewer System ☐ Pump Station (Conventional) ☐ Pump Station (Grinder)

If Grinder Pump

Number of pumps: _____ Make/Model: _____

Town of Cheshire Sewer Service Area Map Designation/Site Location (Check All That Apply):

- ☐ Special Flow (Map Color Code: Purple)
- ☐ Sewered Parcel (Map Color Code: Light Blue)
- ☐ Potential Sewered Parcels (Map Color Code: Light Green)
- ☐ Areas Not Recommended for Sewers (Map Color Code: Pink)
- ☐ R-80 Zoning (Map Color Code: Yellow)
- ☐ Parcel Reporting Problems with Disposal System (Map Color Code: Outlined Red)
- ☐ Infill Property
- ☐ Located withing C&D Growth Area

****Note: The map can be accessed on the Town of Cheshire website located here: <https://cheshire.mapxpress.net/portal.asp>***

Type of Project (check all that apply):

- ☐ [12.10.B DPW] The property is located on an existing, public sanitary sewer line; AND
- ☐ The property has been assessed for public sanitary sewers; OR
- ☐ The owner has been paid or is required to pay a connection charge for connection to a privately installed public sanitary sewer line but has not yet been connected.
- ☐ [12.10.C.1.a DPW] The property owner is seeking a ☐ building permit or ☐ certificate of occupancy for new construction on approved single residential lots which do not require public or private extension of the sanitary sewer.
- ☐ [12.10.C.1.b DPW] The property is seeking a building permit for an addition to an existing residential structure or residential use or a change in residential use, which structure or use is presently connected to a public sanitary sewer line.
- ☐ [12.10.C.1.b DPW] The property owner is seeking a building permit for an addition to an existing commercial or industrial structure or commercial or industrial use or a change in commercial or industrial use, which structure is presently connected to a public sanitary sewer line; AND
- ☐ The additional, estimated flow for such addition or change in use DOES NOT exceed 227 gallons per day; OR
- ☐ The additional, estimated flow for such addition or change in use DOES NOT exceed the actual flow for the use already permitted prior to the addition or change in use.
- ☐ [12.10.C.1.b WPCA] The property owner is seeking a building permit for an addition to an existing commercial or industrial structure or commercial or industrial use or a change in commercial or industrial which structure or use is presently connected to the public sanitary sewer line; AND
- ☐ The additional, estimated flow for such additional or change in use DOES exceed 227 gallons per day; OR
- ☐ The additional, estimated flow for such addition or change in use DOES exceed the actual flow for the use already permitted prior to the addition or change in use.
- ☐ [12.10.C.1.c DPW] The property owner has been granted final design approval by the WPCA for extensions of the public sanitary sewer system for a project for which the sewers have not been extended and the extension does not go into an area deemed unsuitable for sewer extension.

Application Checklist (Attach the following):

- ☐ Project narrative briefly describing the project and detailing necessary information. This should also include the anticipated start date, construction phases/dates, ownership of the sanitary sewer and any easements required for construction.
- ☐ A copy of the Feasibility Approval (or meeting minutes) granted by the WPCA.
- ☐ Calculations for the estimated daily demand.
- ☐ Locus Map outlining the project area.
- ☐ Final flow computations for immediate and future service areas (average daily and peak flow rates).
- ☐ Original application along with supporting documentation.
- ☐ Two (2) full size copies of the plan set, signed and sealed.
- ☐ Eight (8) 11"x17" size copies of plan set.
- ☐ Digital copy (.pdf format) of the application and supporting documentation listed above. Provide flash drive or email to DPWengineering@cheshirect.org
- ☐ A proposed developer's agreement which is acceptable to the WPCA and the Town Attorney, if applicable.
- ☐ Application Fee (see table below)

Single-Family Residential	Multi-Family/Commercial/Industrial
\$250.00	\$400.00

**An additional \$750.00 fee shall apply for any pump station or low pressure force main review.*

By signing below, I hereby agree and certify as follows:

- *The statements made, and the information provided in this application and in all supporting documentation are true to the best of my knowledge and belief;*
- *I have reviewed, understand, and will comply with The Town of Cheshire Sewer Regulations;*
- *I will provide such other data or information as may be requested by the Director or the WPCA as they deem necessary to decide on the application; and*
- *Official representatives and agents of the Town of Cheshire are authorized to enter the property, at reasonable times, for purposes of inspection, observation, measurement, sampling, and testing.*
