Addendum 1 - Responses to Questions Received

1. Page 2 of both RFQ's state the due date for the qualifications proposals as **January 27 at 12 Noon**, but Page 8 of New Norton and Page 9 of North End say January 26 under the Timeline. Which one is it? Thanks
 - a. We apologize for the inconsistency. The due date for the response is January 26th at Noon for both RFQ 2223-15 for the New Norton Elementary School and RFQ# 2223-16 for the New North End Elementary School.
