However, if the performance of the Consultant's supervisory personnel assigned to the Services is unsatisfactory to TOWN and/or the applicable Town and remains unsatisfactory after Consultant has had notice from TOWN and/or the applicable Town and a reasonable time to correct the problem, then such supervisory personnel shall be changed by Consultant to a person who is acceptable to TOWN.

4.4 Safety. Consultant understands and acknowledges that the Site is an occupied, in-use public school.

4.4.1 Consultant shall continuously maintain adequate protection of its work and equipment from damage and shall protect the Site from injury or loss of any type whatsoever arising out of the Consultant's Services. Consultant also shall adequately protect adjacent property from loss or damage which might result, either directly or indirectly, from the activities of Consultant at the Site.

4.4.2 In all cases, the Services, including but not limited to all equipment and material used therefor, shall be in compliance and performed in accordance with all applicable Legal Requirements.

4.4.3 Consultant shall take, or cause to be taken, at its expense, all necessary precautions for the safety of Consultant's personnel engaged in the performance of the Services and shall comply with all applicable provisions of federal, state, provincial and municipal safety laws, building codes, and safety regulations to prevent accidents or injuries on, the Site. In the previous regard, Consultant shall provide its employees and Consultant's Subcontractors performing any part of the Services at the Site with such warnings, and other information as may be provided by Town regarding the products, materials and chemicals received, stored, used and produced at the Site.

4.4.4 Consultant shall develop and have in effect during its performance of the Services a health and safety program for its employees Consultant's Subcontractors, and Consultant shall provide a copy thereof, upon request, to the applicable Town. Consultant shall review and revise said program periodically, providing to the applicable Town a copy of the revised program. Consultant shall be solely responsible for the compliance of its employees or subcontractors with the Consultant's health and safety program. Though Town shall have no obligation to observe Consultant's compliance with its health and safety program, the Town may report all observed health and safety program violations to the Consultant who shall take prompt corrective action. TOWN shall not be required to make evaluation or audits of the Consultant's program or implementation thereof. Compliance with the program and access to medical care for injuries and/or illness sustained by the Consultant's employees and Consultant's Subcontractors performing any of the Services shall be at the sole cost and responsibility and in the sole control of the Consultant, and Consultant hereby waives any right to subrogation or contribution from the Town therefor.

Consultant shall maintain an accurate record of all causes of death, occupational disease, and injury requiring medical attention or causing loss of time from work, arising out of the Services, which records shall be made available to TOWN, upon request. Consultant shall give TOWN notice of any injuries and/or illness sustained by the Consultant's employees or those of any other party performing any part of the Services by no later than the end of the work shift during which such injury and/illness occurred or became known.

4.5 Inspection.

4.5.1 All Services, equipment, material, items and supplies furnished by Consultant in the performance of this Agreement shall be subject to inspection by and approval of Town, or its duly authorized representatives; provided, however, Town's inspection or failure to inspect at any given time shall not operate to diminish, alter, or otherwise affect Consultant's obligations hereunder.

4.5.2 Consultant shall immediately correct any services rendered in the performance of the Services should the Services fail to conform to the requirements of this Agreement. Upon notification that any Services performed fails to conform to the requirements of this Agreement, Consultant, shall, at no additional cost to Town, immediately proceed to cause the Services to be corrected and completed in conformity with the provisions of this Agreement, and shall reimburse Town for any and all costs arising directly out of or related directly to such failure, to the extent due to its negligence.

4.6 Information.

4.6.1 Unless otherwise agreed upon in writing and except for communications and documents strictly related to billing, all documents, including original documents and any copies thereof, of any nature (including but not limited to preliminary or draft reports and data) which are produced by Consultant in connection with the Services shall be either delivered to Town Representative immediately upon completion of such Services.

4.6.2 Except to the extent specifically provided for within the scope of Services set forth in the RFQ/P and the Proposal, Consultant is not responsible for determining which information, if any, generated as a result of the Services must be reported by the Town in order to comply with any Legal Requirements. Moreover, any assistance provided in this regard shall not be construed in any way as advice of counsel. Town hereby agrees to comply with any reporting requirement imposed by any Governmental Authority relative to any information provided by Consultant during the performance of Services. Consultant shall be available to assist in the preparation of licenses and permits in the name of the Town for the Services provided. Nothing in this Section 4.6.2 affects in any way Consultant's independent obligation to provide any required notice (including notice of releases to the environment), filing, permitting or licensing required by any Governmental Authority or Legal Requirements.

4.7 Warranties or Representations; Compliance.

4.7.1 Consultant represents that in its performance of this Agreement and the Services: that all the Services will be exercised in accordance with the Standard of Care in order to comply with this Agreement; the materials that may be provided as part of the Services will

be of new materials and free from defects in material and workmanship, Consultant warrants that Consultant, and each of its employees that will or are performing the Services, has all licenses, permits, consents and registrations necessary or appropriate to enter into this Agreement and to perform the Services, Consultant represents that the Services will be performed with that standard of care, skill and diligence normally provided by a professional person or entity in the performance of services similar to the Services (Consultant is hereby notified that Town will be relying on the accuracy, competence and completeness of the Services provided by Consultant as well as on Consultant's familiarity with statutory and regulatory standards and procedures which apply to any Response Work performed); and, Consultant in rendering the Services, has complied or will comply with all applicable Legal Requirements. These warranties or representations are in addition to and shall not be construed as restricting or limiting any warranties of Consultant, express or implied, which are otherwise provided herein or exist by operation of law. Consultant is solely responsible for remitting all income related taxes, including but not limited to Social Security, FICA, or equivalent types of taxes, in a timely manner, pursuant to federal, state, provincial and local tax laws for Consultant's employees. Consultant further agrees to indemnify, defend (including reasonable attorney fees) and hold harmless Town and its Board of Education, and their respective employees, elected and appointed officials and agents, from and against any claims by any taxing authority resulting from Consultant's failure to pay any tax imposed on income derived from Consultant's employees in performance of the Services.

4.7.2 Consultant represents that it has no prior agreements or arrangements which would constitute a conflict of interest with its duties for the Town as stated herein. Consultant warrants that it shall not enter into agreements or arrangements which may be considered to be a conflict of interest with its duties for Town without first disclosing the potential conflict to Town and to the extent a conflict of interest exists, receiving written permission from Town Representative to do so. Consultant further represents that it shall not accept a contract or request for any Services which may constitute a conflict of interest because of any prior agreements or arrangements between Consultant and any third party unless the potential conflict is first fully disclosed to Town and to the third party and both Town and the third party provide written waivers of the conflict.

5. Price and Payment.

5.1 Price. Town shall pay for the Services, in accordance with the Proposal, a sum not to exceed One Hundred Twenty Seven Thousand Three Hundred Forty Five Dollars (\$127,345.00), as set forth in more detail in the Proposal. The foregoing Price includes the allowances set forth in the Consultant's fee proposal and it is expressly understood that the Consultant shall not be entitled to bill for or receive payment for services unless such services are actually rendered.

5.1.1 The prices, including hourly rates and unit prices, set forth in the Proposal shall not be changed except by mutual agreement, in writing, by Town and Consultant.

5.2 Terms of Payment. Monthly invoices will be issued by the Consultant for all Services performed during the preceding thirty (30) day period on a percentage of completion basis. The Town shall pay each invoice within thirty (30) days of the date that the invoice is approved by the Town.

5.2.1 Town may set off any amount due hereunder from Town to Consultant from any amounts due to any Town from Consultant under this Agreement or any other agreement between Consultant and Town.

5.2.2 Consultant agrees, upon reasonable request, to substantiate that Consultant's billing is in conformity with the terms of this Agreement and to furnish documents verifying each charge billed to the Town on a time and material basis or to the extent required by law. Consultant agrees that all correspondence, books, accounts and other documents and information relating to the Services and prices and expenses payable hereunder for work performed on a time and material and/or reimbursable basis shall be made available to Town, and/or its authorized representatives, for inspection during normal business hours at Consultant's office.

5.2.3 Payments to Consultant may be made by check, wire transfer, or by other means mutually agreed upon by the Parties from time to time.

6. Insurance and Indemnification.

6.1 Insurance. The Consultant agrees to the insurance requirements set forth in the RFQ/P.

6.2 Indemnity. In addition to any other indemnity obligations of Consultant set forth elsewhere in this Agreement, Consultant shall indemnify, defend (excluding professional liability claims) and hold harmless Town, and their boards, commissions, committees, elected and appointed officials, paid professional advisors, agents and employees, from and against any and all costs, expenses, losses, damages, judgments, penalties, fines and liabilities that may accrue or be sustained by any Town, their directors, officers, agents or employees, arising out of a third party claim, to the extent caused by the negligent acts or omissions, or willful misconduct of Consultant, in the performance of this Agreement and the Services, except to the extent arising out of the negligence or willful misconduct of Town.

6.2.1 The indemnification obligation of this Section 6.2 shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Consultant under any Worker's Compensation Acts, Disability Acts or other Employee Benefit Acts, or the insurance proceeds thereof, except as described in Section 6.2.5.

6.2.2 The indemnification obligation of this Section 6.2 should be deemed modified as required to exclude that degree of indemnification required aforesaid which is expressly prohibited by applicable law, statute or regulation, if any; but to the extent the aforesaid indemnification obligation is valid and enforceable, it shall remain in effect though modified.

6.2.3 In the event that any claim, loss, cost, expense, liability, damage or injury covered by the indemnification obligations hereunder arise or are made, asserted or threatened against Town, TOWN shall have the right to withhold from any payments due or to become due to Consultant an amount sufficient to indemnify Town from and against any and all such claim, loss, cost, expense, liability, damage or injury, including reasonable legal

fees and disbursements, to the extent caused by Consultant's negligence; or TOWN, in its discretion, may require Consultant to furnish a surety bond, at Consultant's sole cost, satisfactory to TOWN guaranteeing such protection, which bond shall be furnished by Consultant within five (5) calendar days after written demand has been made therefor. Consultant may obtain release of any such withheld monies by furnishing TOWN with the aforesaid surety bond or providing some other written assurance which is satisfactory to TOWN, as determined by TOWN in its sole discretion, that Town's interests will be properly protected.

6.2.4 The indemnity obligations of Consultant hereunder shall survive the termination or expiration of this Agreement and of any applicable Accepted Order.

7. Confidentiality and Work Product.

7.1 Consultant recognizes that by reason of it performing the Services pursuant to this Agreement and the Accepted Order, Consultant will gain knowledge of and develop on behalf of Town information relating to and concerned with the past, present and future operations and plans of Town. Consultant covenants and agrees on behalf of itself and all employees and personnel under the control of Consultant to the following conditions:

7.1.1 "Town Confidential Information" means the terms of this Agreement, and documents of any character and the information contained therein, including but not limited to drawings, designs, plans, specifications, requisitions, instructions, data, manuals, electronic media, (such as computer disk, computer programs, data stored electronically), and the like: (i) provided or disclosed to Consultant by or on behalf of Town in connection with this Agreement; (ii) learned by Consultant in performing or by virtue of this Agreement; (iii) produced for or developed by or on behalf of Consultant or Town in connection with this Agreement; or, (iv) access to which is obtained by Consultant through use of a computer system utilized by Town, or a representative of Town, and any copies, printout or displays thereof, including any computer programs and data used by Town, or a representative of Town which are stored electronically and any and all security code numbers or procedures for gaining access to a computer system used by Town, or a representative of Town. Town Confidential Information disclosed in documentary or tangible form to the extent practical shall be marked to indicate its confidential nature. In the case of Town Confidential Information disclosed orally or visually, Town shall confirm in writing the fact and general nature of each disclosure within thirty (30) calendar days after it is made.

7.1.2 Town Confidential Information and any rights therein shall be and remain the property of the Town.

7.1.3 Consultant, for itself and on behalf of its officers, employees and agents, agrees: (i) to hold Town Confidential Information in strict confidence and not to disclose any part of it to others, exercising at least the same degree of care as Consultant takes in protecting its own trade secrets; (ii) not to disclose Town Confidential Information without TOWN's prior written consent to any entity or person other than Consultant's employees who require disclosure to perform the services in connection with this Agreement; (iii) not to allow any persons or entities other than such employees access to Town Confidential Information, and then only upon execution by the employee of the confidentiality agreement referenced in Section 7.1.7 below; and, (iv) not to make any use not authorized, in writing, in

advance by TOWN of Town Confidential Information. Consultant shall not be prevented, however, from using or disclosing information: (i) which is or becomes published or otherwise publicly available through no breach of this Agreement; (ii) which is already known to Consultant at the time of disclosure by Town as evidenced in writing; or, (iii) which Consultant later lawfully learns from some source other than directly or indirectly from Town. The burden of proving that information or data is not Town Confidential Information shall be with the Consultant.

7.1.4 Consultant shall not attempt to gain unauthorized access to any Town Confidential Information and in the event access is obtained, Consultant shall immediately report that fact to TOWN and to the extent possible explain the details of the procedure used to gain such access.

7.1.5 The obligations of this Section 7.1 shall continue with respect to any Town Confidential Information for a period of one hundred and twenty (120) calendar months from the date of termination of this Agreement.

7.1.6 Within thirty (30) days after termination of this Agreement or upon written request by TOWN, whichever is earliest, Consultant shall return to TOWN all Town Confidential Information (including that generated by or on behalf of Consultant which is in the possession of Consultant or its employees or Subcontractors and is in tangible form) and all copies thereof, or with TOWN's prior written approval Consultant shall destroy the same and certify in writing, such destruction to TOWN.

7.1.7 Consultant shall require the same covenants and agreements from third parties to whom Town Confidential Information is disclosed upon approval of TOWN. Consultant shall inform its employees assigned to performance of this Agreement of Consultant's obligations contained in this Section 7.1 and shall require such employees to sign agreements of confidentiality containing nondisclosure/nonuse obligations as those set forth in this Section 7.1 prior to giving them access to Town Confidential Information. Consultant shall review on an annual basis with such employees the obligations of confidentiality that each employee has to the Town.

7.2 Work Product. Work Product shall be the sole and exclusive property of Town and may be used by Town for any purpose whatsoever without Consultant's or its employee's consent and without obligation of any further compensation to Consultant or its employee and shall be delivered by Consultant or the employee to Town upon request by Town. Consultant shall not use any portion of the Work Product in any projects for any third party. Town shall indemnify, hold harmless and defend Consultant against and all claims, liabilities, losses and costs arising from Town's use of Consultant's work product on work for which Consultant is not retained.

8. Force Majeure.

8.1 The performance by either Party of any covenant or obligation on its part to be performed under this Agreement shall be excused by floods, riots, fires, accidents, wars, embargoes, acts, injunctions, or restraints of government, or any other cause preventing such performance, beyond the affected Party's reasonable control and which is not due to the affected Party's fault or negligence ("Force Majeure Event"), provided that: (i) the Party

whose performance is affected by the Force Majeure Event promptly notifies the other Party and uses reasonable efforts to mitigate adverse effects upon the other Party; and, (ii) the Party's obligation to perform shall be suspended only for the duration of the Force Majeure Event and a reasonable recovery time thereafter. In the event the Force Majeure Event continues for ten (10) consecutive calendar days, Town, at its option, may terminate this Agreement upon notice to Consultant.

9. Termination.

9.1 If Consultant institutes or has instituted against it proceedings in bankruptcy, dissolves or liquidates its business, assigns or attempts to assign its business assets for the benefit of creditors, or if a receiver shall be appointed on account of its creditors, or if a receiver shall be appointed on account of its insolvency, or if its financial condition is such that the Town, in its reasonable opinion, has concern about its ability to fully meet its obligations under this Agreement, the Town may immediately terminate this Agreement upon written notice. Further, if either Party shall default in the performance of any undertaking or obligation to be performed by it under this and if within ten (10) calendar days after written notice thereof from the other Party (specifying in such notice the thing or matter in default) it fails to cure such default, the Party serving such notice, may without prejudice to any other right or remedy, terminate this Agreement; a failure to perform by Consultant due to a strike, lockout, labor stoppage or labor troubles of any type or nature shall not excuse Consultant from performance of this Agreement, and any failure to perform as a result thereof shall be deemed a default hereunder by Consultant. Notwithstanding the foregoing, in the event Consultant in any manner fails to perform its obligations under this Agreement in a timely manner and as required by this Agreement for any reason whatsoever, including without limitation due to a strike, lockout, labor stoppage or other labor trouble, the Town immediately may suspend the Agreement, without any obligation or compensation to Consultant.

In addition, the Town may, upon five (5) days advance written notice, terminate this Agreement for the Town's convenience. In the event that the Town terminates this Agreement for its convenience, the Town's sole liability to Consultant shall be to pay for services rendered as of the date of termination. In no event shall Consultant be entitled to or claim any indirect or consequential damages.

10. Notices.

10.1 All documents, notices and communications to be given hereunder or in connection herewith shall be in writing, signed (signing may be by an electronic signature) by the Party giving or making the notice or communication and shall be deemed given when: (i) delivered in person or by messenger or (ii) sent by facsimile or electronic mail on the date of receipt of a facsimile or electronic mail, provided that the sender can and does provide evidence of successful transmission and that such day is a business day (and if it is not, then on the next succeeding business day) or (iii) three (3) business days after being deposited in the United States mail in a sealed envelope with sufficient postage affixed, registered or certified, return receipt requested, and addressed as set forth below, or to such other addresses or designee(s) as may be hereafter designated by a Party after providing written notice thereof to the other Party:

11. Miscellaneous.

11.1 Independent Contractor. Consultant's relationship with the Town under this Agreement is that of an independent contractor. Nothing in this Agreement shall be construed as being inconsistent with that status. Consultant shall be solely responsible for its employees, subcontractors and agents and for their benefits, contributions and taxes, as applicable and shall indemnify and hold Town harmless from any and all liability arising therefrom.

11.2 Subcontracts. Consultant may not subcontract any portion of the Services without prior written approval of the Town, both in respect of that portion of the Services to be subcontracted and the proposed Subcontractor therefor. Any such approval shall not relieve Consultant of any of its duties, obligations, warranties, liabilities or responsibilities under this Agreement. Consultant shall assure the performance of all Subcontractors and furnish such information relative to Subcontractors as the Town may at any time reasonably request, including but not limited to furnishing the Town with a copy of the subcontract. Nothing contained in this Agreement shall create any contractual relationship between the Town and any Subcontractor of Consultant, but Consultant shall be fully responsible to the Town for all acts and omissions of its Subcontractors, their agents and employees, as Consultant is for the acts and omissions of all persons directly employed by Consultant. Consultant shall require its Subcontractors to be bound by the terms and conditions of this Agreement. All portions of the Services performed for Consultant by a Subcontractor shall be pursuant to an appropriate agreement between Consultant and such Subcontractor (and where appropriate between subcontractors and sub-subcontractors).

11.3 Assignment. This Agreement shall not be assigned by either Party, in whole or in part, without the prior written consent of the other (which consent shall not be unreasonably or untimely withheld), and any attempted assignment without such consent, whether by operation of law or otherwise, shall be void. If the non-assigning Party fails to respond within twenty (20) business days to a written request by the assigning Party for written consent to the assignment, the non-assigning Party will be deemed to have consented to the assignment. Subject to the foregoing, this Agreement and all Accepted Orders shall bind and inure to the benefit of the successors and assigns of the respective Parties hereto, including without limitation, any purchaser of Consultant's or Town's respective businesses or facilities as to which this Agreement and/or the Accepted Order relates.

11.4 Waiver. The failure of either Party to enforce at any time any of the provisions of this Agreement or of an Accepted Order shall in no way constitute or be construed as a waiver of that or any other provision of this Agreement or of the Accepted Order, nor in any way to affect the validity of this Agreement or of the Accepted Order or any provision thereof or the right of such Party to enforce thereafter each and every provision of this Agreement or of the Accepted Order. No waiver of any provision or breach of this Agreement or of the Accepted Order shall be deemed to be a waiver of any other provision or breach. The remedies herein reserved by the Parties shall be cumulative and additional to any other or further remedies provided in law or equity which the Parties may possess.

11.5 Remedies. Any right or remedy of either Party set forth in this Agreement shall not be exclusive, and, in addition thereto, both Parties shall have all rights and remedies under applicable law, including without limitation, equitable relief.

11.6 Governing Law. This Agreement and the relationship and rights of the Parties hereunder are made under and shall be governed by the local laws of the State of Connecticut (without giving effect to the conflict of law principles thereof).

11.7 Reformation. In the event any provision of this Agreement or of an Accepted Order is determined to be invalid, illegal or otherwise unenforceable for any reason, that provision shall be reformed to the maximum extent permitted to preserve the Parties'

original intent, failing which it shall be severed from this Agreement, with the balance of this Agreement continuing in full force and effect.

11.8 Entire Agreement. This Agreement and any Accepted Order, including all documents referenced herein and therein, contain the entire agreement of the Parties with regard to the subject matter hereof and thereof and supersedes any prior communications, commitments, representations or warranty, or contracts between the Parties relating to the subject matter hereof and thereof. No modifications of this Agreement shall be of any force or effect unless reduced to a writing which specifically references this Agreement, states an express intent to modify or amend this Agreement, and is signed by the Parties claimed to be bound thereby.

The parties have executed this Agreement as of the Effective Date.
